Mission Statement

To deliver guidance, support, resources and opportunities that ensure students receive an engaged and holistic education, achieve their potential, and remain connected to the University. Working with institutional partners, Student Affairs will promote student development and respond to student needs in the following areas:

- Personal Identity & Community
- Career Development
- Social Responsibility
- Health & Wellness
- Leadership & Intercultural Competency
Every MSU undergraduate student should be part of a neighborhood where support for learning and engagement, personal development, healthy living, leadership and the opportunity to participate as a member of an inclusive community is provided.

- Holistic
- Evidence-based
- Data-driven
- Responsive
- Coordinated
- Collaborative
