TODAY’S GOAL

• Expand knowledge and understanding of facilities planning and space management principles, policies and procedures
QUESTIONS

• What space issues do I need to consider for a faculty hire, a new course, an administrative realignment?
• Where are we headed in 3-5-10 years?

• Is there a university space policy?
• What is the MSU Space Inventory?
• What is the procedure for requesting new space?
• What is the procedure for requesting renovation?
• How are renovations funded?
Contrary to popular belief, we’re not the space police
